The current competition rules for all divisions will be used.

Sparring - A single elimination format will be applied to all sparring divisions. A random draw will be completed prior to the start of competition to determine brackets.

Poomsae - All poomsae divisions will be seeded randomly. Designated Poomsae will be published to the US Masters Cup FB page/website approximately one week in advance.

Tournament Committee has the liberty to change and/or modify divisions.

DOBOK & EQUIPMENT STANDARDS

Official Uniform (Dobok)

All contestants must wear a white Taekwondo V-neck WT uniform (dobok) in good condition.

Black belts must wear black-collared uniforms. Color belts should wear white-collared uniforms.

Contestant's State Name in ALL CAPS MUST be displayed on tail of uniform (For US competitors – should be your State, NOT USA). State can be spelled out or abbreviated. Patches, embroidery, logos, team names, athlete names, and stripes are permitted on the uniform. Logos or names on the back of the uniform and patches on the chest area of the uniform are also allowed.

No tape will be allowed on any part of the uniform.

Poomsae contestants may wear either the standard V-neck WT uniform (as specified above) or WT-designated Y-neck competition poomsae uniforms appropriate to the contestant's division. Due to the contestant performing in both sparring and poomsae, sparring athlete does not have to change into their poomsae dobok to compete and may wear their standard V-neck WT uniform. **Contestant's State Name in ALL CAPS suggested to be displayed on back of uniform.** Poomsae uniform may only be worn in poomsae divisions (no sparring divisions).

JCalicu has extended a SPECIAL OFFER to all competitors who order a uniform, they will print state info for FREE on dobok. Call (956) 439-0580 to order and take advantage of this special offer.

Protective Equipment

Contestants shall wear an approved trunk protector, head protector, groin guard (for both male and female sparring competitors), forearm protector, shin-instep protectors, approved PSS gloves and socks for Electronic Scoring System and a mouth guard before entering the Contest Area.

The head protector must be firmly tucked under the left arm when entering the Contest Area and shall be put on the head after bowing to the opponent before the start of the contest.

The groin, forearm, and shin-instep protectors must be worn inside the Taekwondo uniform. Wearing of any other items on the head other than head protector shall not be permitted, except for religious reasons. A previously approved religious item shall be worn beneath the head protector and inside the dobok and shall not cause harm or obstruct the opposing contestant.

Personal Requirements

All competitors shall keep their nails cut short and shall not wear any articles that may injure or endanger an opponent. Any competitor whose hair, in the opinion of the referee, is so long as to risk causing inconvenience to other competitors shall be required to tie it back securely. Ponytails must be tucked inside the headgear and may not hang out below the helmet so that in the opinion of the referee, it is causing risk or inconvenience to other competitors.

- **Metallic Articles:** Contestants are not allowed to wear any kind of metallic articles or hard objects, such as rings, eyeglasses (including prescribed safety or sport eyeglasses or eye goggles), necklaces, watches, bracelets, earrings, etc.

Personal Hygiene

All competitors must maintain the highest standard of personal hygiene, keep their nails cut short, and groom their hair neatly. Ponytails must be tucked inside the headgear and may not hang out below the helmet so that in the opinion of the referee, it is causing risk or inconvenience to other competitors.

Any violators of Section 1, 2, and 3 of this Article will be required to correct the violation within one minute, or face disqualification.

Taping on the foot and hand shall be allowed for the protection of athletes. For an injury, the minimum amount of tape that will protect the area should be used. Taping of feet and hands will be strictly checked during the athlete inspection process; if there is a question, the inspector or referee should have the wrapping examined and approved by the Tournament Medical Staff. Under no circumstances will a hard splint or cast—no matter how small—be allowed.

There will be no taping beneath the sensor socks unless it is approved by the Commission Doctor because of injury.

Equipment Standards

Belt Colors: Only WT belt colors will be allowed—black, red, blue, green, yellow, or white. Belts with stripes will be allowed. (Red belt cannot wear a poom belt)

Shin and instep protection: Shin and instep protectors are REQUIRED, and they must be made of foam, cloth or vinyl. The instep protector may be red, blue, or white, but must correspond with the color of the chest protector; any color shin protector is allowed. Cloth or foam knee pads are permitted. **PSS sensor socks** will be needed for ALL sparring competitors.

Forearm guard: Forearm guardas are REQUIRED and it is mandatory that athletes wear only foam, cloth, or vinyl products. Any color forearm guard will be allowed. Cloth or foam elbow pads are permitted.

Please Note: USA Masters Cup reserves the right to disallow any uniform or equipment if it is found to be unsafe, offensive, or degrading.
